

The ABC's of Art

with Allyson, Brenda, & Colleen

Hopatcong Senior Center - Lower Level

We offer classes that immerse participants in process, guided, and sensory art. The ABC's of Art offers an hour-long session that combines getting messy, being creative, and strengthening fine and gross motor skills, all while being socially engaging and fun! We will be creating with children aged 3-6 years old and exploring various techniques to create unique masterpieces. ALL children **MUST** be 100% potty trained and independent in the bathroom.
