5. Games consist of 4 innings (3 $\frac{1}{2}$ if the home team is ahead) or 1 hour time limit, whichever happens first. Games become official after 2 innings. An official scorebook will be kept. The home team will be responsible for the scorebook.
6. All offensive players should wear helmets.
7. Catcher must have on a full catcher gear and play the catcher position.
8. Coach pitch- each batter will receive a maximum of six (6) coach pitches or three (3) swinging strikes. That bat is extended if the last pitch is foul. There are no walks.
9. Balls in play must be hit past the fair ball arc. Balls not passing this line shall be considered a foul ball. Regular baseball rules apply on the 3rd strike fouls.
10. SLINGING THE BAT IS PROHIBITED. 1st time - batter warned. 2nd time - batter out.
11. Batting rotations cannot be changed after the game begins. IF a player arrives after the game has started, he/she is added to the bottom of the batting order.
12. If a player is injured in the game and cannot play, move the batting order up by one batter with no penalty. IF the player can return, do so and return to the original batting order.
13. Three (3) offensive coaches are allowed on the field when at bat. These coaches are the pitching coach, 1st and 3rd base coaches. Two defensive coaches are allowed on the playing field for defense. Defensive coaches must stay in the outfield foul grounds.

19. Players must attempt to make "baseball" plays. There will be **NO "running down"** by the pitcher while other players are standing inactive. The pitcher may tag a runner out but only within his/her reasonable area of play. **IF the pitcher chases down a runner to tag them out, the tagged out player shall be considered safe.** This is an umpire's judgement call.
20. IF a player is hurt in the field and cannot continue to play, play will stop immediately and all base runners will advance if forced or actively seeking (past the halfway mark) that base.
21. If a live ball hits a coach, the ball is dead and replayed. Any interference results in a dead ball. This is an umpire's judgment call.
22. **Umpire shall call time after every play and declare the ball dead. Time shall be called as soon as the lead runner is not attempting to advance.**
23. Any runner that has passed the halfway mark when time is granted may advance to an unoccupied base without risk of being put out. All runners not across the halfway mark will return to their previous base without risk of being put out. Time must be granted by the umpire.
24. Balls that bounce over or get caught in the outfield fence constitute a ground rule double.
25. All coaches are PROHIBITED from grabbing, holding, or touching any base runner at any time. IF the coach assists or touches a player, the runner is out. This is umpire's judgment if affects the play.
26. The Recreation Department will notify coaches of inclement weather and games will be rescheduled.
