About the Head Golf Instructor Michael McGann

Competed since the age of 12 and eventually became one of Florida's top ranked junior golfers. Having won several tournaments including shooting a competitive 61 while on scholarship at Flagler College in St. Augustine, Fl. Started teaching golf at age 18 during the summers home from college. Turned pro in 2016 and competed against some of the top pros in South Florida for 4 years. Mike's teachings are clear and simple with many of his lessons and wisdom coming directly from some of the top PGA pros and instructors, some of which he calls friends and colleagues.
